

Believe it or not Essential Additions turns 20 in March this year!

*To celebrate, the **PARTY** is on us.*

*Holding a Presentation during our Birthday month of March
means you pick up an **EXTRA \$100** to spend on
anything you like.....really!*

**No.....we haven't had too much
champagne already, we're serious!**

Here's how it works:

- 1** Book a Presentation for March.
- 2** Invite heaps of people (like more than you can fit in... seriously)
- 3** Have guest/outside orders of over \$750
(this is pretty much a certainty if you have 9 or more people and a couple of outside orders)
- 4** Have a ball shopping, talking and laughing, not too much bubbly though.
- 5** Pick up free Shopping Dollars worth at least \$75 (being 10% of your guests orders) to spend on anything you like.
- 6** Choose at least one HALF PRICE item.

andhere's the **PARTY** bit.

Do it in March and you get a gift voucher for

ANOTHER EXTRA \$100

to spend at a Presentation,

either another one of your own or someone else's.*

.....what a Birthday Party!

By the way, if you think this is a great thing for Hostesses (and you're right it is) you should see what Consultants have got happening for a Birthday Celebration. For starters try a \$500, \$1000 or \$1500 Holiday Voucher. So if you haven't got enough excitement happening in your life, you'd better talk to us. Do it soon though, just ask your Consultant to tell you about "Kylie".

* conditions are on the voucher or you can go to essentialadditions.com.au.
